BLUEGRASS & C/W LP AUCTION #90

The following LPs are offered for sale to the highest bidder as usual (sealed bids, all bids are kept strictly confidential). This auction features records from several collections: this auction is heavy on Bluegrass, but there are some good country and old-time items here too, and just about everything is in superb, clean condition. There are rarely seen items here.

SEND NO MONEY NOW. Winners will be notified a week or two after the closing date, then payment will be expected within 10 days. A list of the winning items will be sent to all bidders. Note that we reduce winning bids to slightly over the next highest bid (this is done only on bids over \$10.00). The **MINIMUM BID** on all records is \$7.00.

CONDITION CODE: N=New; E=Excellent (plays almost like a new record, with minimal wear); V=Very Good (some wear, may have scuffs and scratches).

PLEASE BID BY CODE NUMBER, RECORD NUMBER, & ARTIST. (Titles not necessary) For example:

016, COM-400, EASTER BROTHERS, \$17.65. Please bid only in increments of 5 cents-no odd penny bids please. Be sure to use the correct CODE numbers (first column) to avoid winning records you don't want. You may mail in your bids, fax your bids or e-mail your bids to: info@countysales.com. Please be sure to include your name & postal mailing address with your bids. Finally, make sure your bids reach us by the closing date-we close auctions promptly! Good luck!
